

SMAK coffee & deli crew

You make SMAK taste the way it should!

A cappuccino with a perfect layer of foam. A fresh smoothie. Warm croissants straight from the oven. The tastiest cinnamon rolls and a focaccia that makes you hungry just looking at it. That's where you come in.

SMAK is not your standard café. It's a daily deli: a place for great coffee, delicious food, and people who like to drop in — and stay a while.

As a SMAK coffee & deli crew member, you work behind the coffee bar and in our kitchen. One moment you're making the tastiest coffees, the next you're topping focaccias or taking orders. The counter? Thanks to you, it always looks great and inviting.

What will you be doing?

You prepare our guests' orders: from coffee and smoothies to focaccias and other delicious things from our deli. You finish-bake products, prep ingredients, and make sure the counter stays well stocked.

You work closely with the café runner and take the lead where needed. You keep an eye on what needs to happen and make sure the two of you keep things flowing. At the end of the day, you check what's needed and place the orders for the next day, so everything's ready to go again.

Who are you?

Good coffee and good food make you happy. You're enthusiastic, get stuck in easily, and enjoy it when there's plenty going on. When it gets busy, you keep switching gears. You work neatly, help your colleagues, and think it's important that every order leaves the counter just right.

Hospitality experience is a bonus, but not a must. With enthusiasm and a willingness to learn, you'll get far at SMAK. We'll teach you the rest!

What do you get from us?

You'll join a new team as we build SMAK together. A place where we work hard, have fun, and where you get the room to learn and think along with us.

You take care of all the good stuff at SMAK, but we take care of you too:

- a salary in line with the Dutch hospitality industry collective agreement (cao Horeca);
- holiday allowance and holiday days;
- solid guidance so you find your feet quickly;
- a barista course, so you'll soon know exactly how to make a truly great coffee;
- staff discount on our coffee and everything delicious from the deli.
